Action to Stop Doing:

Sprints will be done since we've ended sprint 3 and it's time to release.

Actions to Start Doing:

There's nothing we decided to start doing from this sprint.

Actions to Keep Doing:

We have to keep following the burn-up chart's ideal work time plans.

Modifying our work progress in trello and adding and commit on git-hub are kept doing.

We will keep having frequent unofficial meetings.
